Mr. Chair,

Azerbaijan warmly welcomes the delegation of the Republic of Argentina and thanks for presentation of the comprehensive National Report.

Azerbaijan congratulates Argentina for its continuous efforts on fight against corruption, and takes positive note of measures undertaken by the Government to promote transparency and access to information. In this regard, we would like to highlight the relevant legal Act adopted this year, regulating access to information in the country.

We also welcome adoption of the “2020 Justice Programme” aimed at improving and strengthening the judicial system and building robust and efficient public service.

Azerbaijan would like to **recommend** Argentina to continue its positive practice of incorporating intercultural education into the education system as part of the recognition of ethnic diversity.

In conclusion, we wish the delegation of Argentina a very successful review process.
