Azerbaijan positively notes legislative and institutional measures to improve protection and promotion of human rights, including measures dedicated to ensuring right to education for all.

Having said that, Azerbaijan wishes to make following recommendations to Djibouti:

- First, to make every effort to submit its reports under the Conventions it has ratified
- Second, to increase its efforts to ensure right to education in all over the country;
- Third, to include measures aimed at increasing efficiency and accountability of public service into its national development strategy.

In conclusion, we wish the delegation of Djibouti a successful review.
