Madam President,

Azerbaijan welcomes the Delegation of Guyana and thanks for the presentation of its national report.

We commend the measures taken by the Government of Guyana aimed at elimination of human trafficking, in particular the creation of the new National action plan for the elimination of human trafficking for the years of 2019-2020.

Azerbaijan offers the following recommendations to Guyana:

1. Take steps with a view to ensure the protection of rights of persons with disabilities in the whole territory of the country;
2. Continue implementation of different projects aimed to improve access to drinking water and sanitation;
3. Take further measures towards elimination of domestic violence.

We wish the Delegation of Guyana a successful review.

Thank you, Madam President.
