

Second right of reply by the Delegation of the Republic of Azerbaijan

32nd session of the Human Rights Council

Item 9

General debate

28 June 2016

Mr. President,

I do apologize for taking floor again. Yesterday during an interactive dialogue with Special Rapporteur on racism and today, during the 1st right of reply I have asked a question to the Armenian delegation. However, they did not take the trouble to answer my question. They are not able to answer this question in any fora. In that case, what was the reason for Armenian delegate to take the floor again?! But, in any case what the representative of aggressor state can say about UN GA resolution entitled “The situation in the occupied territories of Azerbaijan” which once again documents that Nagorno-Karabakh region is an inalienable and integral part of Azerbaijan.

By ignoring the implementation the relevant UN GA resolutions on the Armenia-Azerbaijan conflict, which demand unconditional, complete and immediate withdrawal of all armed forces of Armenia from all the occupied territories of Azerbaijan, Armenia consistently continues to act against the generally accepted just position of the international community.

Azerbaijan highly appreciates the principled stance of the UN Member States that has been repeatedly expressed on issues that are of utmost importance for Azerbaijan and pertaining to its sovereignty and territorial integrity.

We count on the continued resolve of the international community in defending the purposes and principles of the UN Charter, as well as its strong solidarity with the just position of Azerbaijan.
