

**35th session of the UPR Working Group
UPR of Armenia**

**The 2nd point of order
raised by Amb. Vaqif Sadiqov
Permanent Representative of the Republic of Azerbaijan to the UN Office
and other International Organizations in Geneva
23 January 2020**

In the United Nations Security Council resolutions and the United Nations General Assembly resolutions, the references - what has just been said by representative of Armenia, and I quote "Nagorno-Karabakh", there is not such a reference. In the UN documents, and I refer - Security Council Resolution 822, Security Council Resolution 853, Security Council Resolution 874, Security Council Resolution 884 and General Assembly Resolution A/RES/60/285, General Assembly Resolution A/RES/62/243, all the references what have been mentioned by representative of Armenia as Nagorno-Karabakh are read as, I quote "Nagorno-Karabakh region of the Republic of Azerbaijan".

Taking this opportunity, Madam President, I would like to kindly request you to task the Secretariat to reflect this language in the report of the UPR Working Group.

Again, I repeat that I reserve my right to raise the point of order for the third time in this meeting, if that will continue in the same spirit. I fully agree with you that this the UPR process which is one of the biggest successes of the Human Rights Council is not the place for political issues and I forward that appeal of you, fully supported by me to the delegate of Armenia. And also, of course, I support your reference that the language used in this house which is the body established by the General Assembly, should be only the United Nations language, nothing else.

Thank you.
