Mr. President,

Azerbaijan welcomes the delegation of Fiji and thanks this delegation for the presentation of its national report.

We commend Fiji for ratifying all core human rights treaties and for pledging to develop its national mechanism for implementation, reporting and follow-up. In this regard, we recommend Fiji to proceed to the development of its national mechanism.

We also congratulate Fiji for its leadership on climate change, and welcome the Government's efforts in developing its new Climate Change legislation and extensive consultations undertaken in the formulation of this new law. We recommend Fiji to legislatively ensure an inclusive and participatory approach to climate policy.

In conclusion, we wish Fiji very successful review.

Thank you, Mr. Vice-President.
