

Right of reply by the Delegation of the Republic of Azerbaijan

32nd session of the Human Rights Council

Item 9

General debate

28 June 2016

Mr. President,

I have taken the floor to exercise the right of reply to the remarks made by the Armenian representative, which contained traditional absurd allegations against Azerbaijan.

Everyone is well aware of the actions of Armenian delegation in these platforms. The major motto of Armenian diplomacy is the following: tell a lie big enough and keep repeating the lie, people will eventually come to believe it. But, let me to assure Armenian representative that this policy will eventually yield no results.

So, since the Armenian delegate will take the floor again I hope they will be able to answer my yesterday`s question during interactive dialogue, under agenda item 9.

I can repeat the question: the very last preamble paragraph of the UN GA resolution 62/243 of 2008 entitled “The situation in the occupied territories of Azerbaijan” says: UN GA seriously concerned that the armed conflict in and around the Nagorno-Karabakh region of the Republic of Azerbaijan.... Then, operative paragraph 2 of this resolution says: UNGA demands the immediate, complete and unconditional withdrawal of the Armenian forces from all the occupied territories of the Republic of Azerbaijan.

What this resolution and the mentioned provisions mean?
