UPR of Libya**

**Statement
delivered by by Marziyya Vakilova-Mardaliyeva, First Secretary of the Permanent
Mission of the Republic of Azerbaijan to the UN Office and other International
Organizations in Geneva**

11 November 2020

Madame President,

Azerbaijan welcomes the distinguished Delegation of Libya and thanks this Delegation for the presentation of its national report.

Azerbaijan commends the commitment of Libya to the UPR process and positively notes the achievement by the Government of Libya in implementing recommendation put forward by the delegation of Azerbaijan during the previous cycle of the UPR.

Azerbaijan appreciates the efforts exerted by Libya in promoting human rights in the country, including securing the right to education, work and health and the protection of rights of women and persons with disabilities, despite the challenges the country is facing. We also welcome the adoption of a package of economic reforms to guarantee economic and social rights in the country and recommend Libya to continue strengthening these efforts.

In conclusion, we wish the Delegation of Libya a very successful review.

I thank you.
