Madam President,

Azerbaijan welcomes the Delegation of Seychelles and thanks the Delegation for the presentation of their national report.

Azerbaijan commends the measures implemented by the Government relating to the recommendations given during the previous cycle. In this regard, we note the institutional measures for promotion and protection of human rights in the country such as the establishment of the National Human Rights Commission and the high-level National Coordinating Committee on trafficking in persons.

Azerbaijan recommends the following to Seychelles:

1. Continue its cooperation with treaty bodies and special procedures of the United Nations.
2. Intensify its measures in combating against trafficking in human beings.
3. Implement capacity building measures for providing better education, including for children with disabilities.

Azerbaijan wishes the Delegation of Seychelles a successful review.

Thank you, Madame President.
